

Amuze

Give your travelers a break...and make money while you're at it!

Travel can be stressful, and oftentimes involves long wait-times. You know your flyers spend time and money at restaurants, newsstands, shops and stores while they are in your airport. Amuze creates a new revenue stream for airports while greatly enhancing the travel experience for your customers. **And best of all, it is totally free to the airport!**

Amuze Products installs the best, brand new vending massage chairs in airports at no charge. While your travelers sit back and enjoy a much-needed break, you sit back and collect money. It's that easy – and we even provide a complete warranty on the massage chairs.

Call us today for your free airport massage chairs and start generating revenue immediately!

See for yourself why businesses, organizations, airports, hospitals and malls across the United States have relied on Amuze for decades to increase customer satisfaction while generating new revenue.

Give your travelers a break...and make money while you're at it!

AmuzeProducts.com ◀

For 20 years, Amuze has helped businesses across the United States turn waiting areas into profit centers. Our comfort massage chairs become one of the most enjoyable, relaxing experiences of the day for your travelers. And, while customers are sitting there thinking about how wonderful your airport is, they're generating income for you.

Turn seating into revenue

Amuze can show you how to turn the experience of "waiting" into something your travelers love and look forward to. Anywhere there is a seating area, there is an opportunity to generate revenue while taking care of your customers.

We currently have thousands of installed vending massage chairs across the country in:

- Airports
- Hospitals
- Trampoline Parks
- Medical Offices
- Auto Dealerships
- Tire Shops
- Shopping Malls
- And Many More!

"We had four (4) Amuze comfort massage chairs installed two years ago. Within six months, we doubled that to eight (8) massage chairs. Our customers love them and we're making a ton of money. Amuze takes care of everything – all we do is collect the money while our customers kick back, relax and enjoy their time with us." - Marcus K. (Lake Delton, Wisconsin)

Completely free to airports

Amuze provides free massage chairs that create new revenue for your airport while turning your travelers into raving fans.

Generous revenue-sharing

Amuze makes good airports even better by increasing customer satisfaction and creating new revenue streams for the airports we serve through our generous revenue-sharing program.

Full Lifetime Warranty

Amuze installs luxury massage chairs at your airport with a full lifetime warranty. Each chair is an advanced comfort massage chair with a built-in proprietary credit card processing system. If your massage chairs get worn or damaged, we simply send you a brand new chair for free. It's that easy – it's that fast!
